XIX. <u>Organization/Agency Background</u>: State your mission, vision, purpose, and provide a brief history. What are your core programs and activities? How many people do you serve? How many paid staff, full time and part-time? How many volunteers?

The Food Bank of Siouxland ("FBS"), founded in 1991, is a year-round source of food to 100 nonprofit organizations in Siouxland serving an average of 16,088 people each month. With only 8 full-time employees and over 1,000 volunteers contributing nearly 5,000 volunteer hours, the FBS solicits and distributes fresh, frozen, boxed, canned, and non-shelf stable foods to our member agencies consisting of food pantries, emergency relief agencies, shelters, day care centers, rehabilitation programs, senior citizen's centers, and other outreach programs. Last fiscal year (FY'17), the Food Bank distributed 2.28 million pounds of food to our 11 county service area (8 in Iowa and 3 in Nebraska) through our primary warehouse distribution program, our BackPack Program: Food for Kids, and our Mobile Pantry Program: Food to You. Despite reports of an improved economy, the Food Bank is still seeing an upward trend that sets monthly records for distribution and more people seeking food assistance than ever before in our 26 year history.

II. <u>Project Information</u>: Describe your food distribution program. Explain the community need including demographics, geographic characteristics of the area or community to be served, community conditions and income level. What are the specific activities of the food program? How do you identify/qualify those in need? How often is the food distribution offered? How many people will be served by the food distribution program (children, youth, adults, seniors)? Please explain how you keep track of number of people served.

While hungry children in FBS's service area certainly benefit from our primary warehouse distribution and mobile food pantry programs, childhood hunger in our area is so prevalent that in 2006, we established a special program that focuses exclusively upon this young and suffering segment of our population. Our BackPack Program: Food for Kids provides weekend food to chronically hungry children each Friday October through May, before they return home to empty cupboards and few, if any, meals. Our BackPack Program has grown dramatically since we launched the program eleven years ago. In the 2016-2017 school year, the FBS provided nutritious, child-friendly food to over 1,400 elementary school children in eight (8) area schools on a weekly basis. In the 2017-2018 school year, we have added another school bringing the total to nine (9) schools which have been determined to have extremely high concentrations of poor children, some as much as 100%. The children who benefit from this program are between the ages of 5 through 11 and range from kindergarten through fifth grade. Over 1,700 students have been identified because they are likely receiving free meals at school during the week (in fact, all nine of the 2017-2018 targeted schools have extremely high concentrations of poor children – between 84 to 92% - as determined by free and reduced meal participation in school), and they show signs of chronic hunger on Monday morning. Funding by S.L. Gimbel Foundation Fund will help us to sustain and improve the nutritional quality of this program. A \$10,000 grant award would help ensure these children are able to come to school on Monday ready to learn instead of worrying about their hunger and counting down the hours to lunch.

III. Project Budget

Please provide a detailed line-item budget for your project by completing the budget form below. The maximum amount requested is \$10,000. One hundred percent of the request should be for the purchase of food items only. Canned tuna will not be funded. Food items must be delineated (i.e. canned vegetables, soup, pasta, dried beans, rice, etc.). For each food item, indicate the cost per unit (pound, carton, case, etc.) and the quantity.

Line Item	Line Item Line Item Description	
Food Purchased for BackPack Program: Food for Kids	Total cost of food for entire year: \$155,000 Food sacks contain healthy items with nutritional values of protein, calcium, vitamins and grains. Food sacks do NOT contain canned tuna. The menu items rotate throughout the school year and each menue contains items that appeal to the majority of children, are easy for them to handle, are shelf-stable, and are nutritiously sound choices. Milk (.37/unit) x 90,000 = \$33,300; 100% Juice (.23/unit) x 50,000 = \$11,500; Fruit Strips (.17/unit) x 30,000 = \$5,100; Cereal (.12/unit) x 100,000 = \$12,000; Meat Stick (.36/unit) x 30,000 = \$10,800; Meal Cups (.88/unit) x 82,160 = \$72,300/ Fruit Cups (.20/unit) x 50,000 = \$10,000; (Note: purchasing is adjusted to account for inventory fluctuations between school years.)	\$10,000

Although the BackPack Program was launched in 2006, which means we have a number of years of experience with feeding chronically hungry children, there are always new developments! This year we held lengthy conversations with the principals of our participating schools before the launch of a new school year. We were concerned about how students are identified to participate in the program, as we often hear feedback that not everyone getting a sack is truly in need of one. Much like a remedial reading or math program, we want to target only those students who truly are in need of nutritional support. With the input and guidance of the principals, we were able to make some decisions about fine-tuning our program and finding ways to protect the dignity and confidentiality of the students but do a better job of providing food sacks to those who are in need of them. This resulted in a reduced number of sacks distributed in the 2015-2016 school year, which has allowed us to expand our program to two additional schools this fall. These schools also report great need (as identified by participation in the free and reduced lunch program). We are excited to be able to reach even more students in need of the foods for the weekend, and proud to be able to tell our donors that every penny given to this effort truly reaches a student in need.

* 11. How did you overcome and/or address the challenges and obstacles?

Collaboration is the key to the success of this critically important program. The concerns about who were receiving the food sacks were brought to us via the surveys taken each year of the students, the families, and the staff in schools receiving food sacks. We took those concerns to the school staff, including the principals and the food coordinators in each building, to brainstorm ideas. We consulted with other food banks who also conduct similar programs and asked about their best practices. We devised a new approach that we all agreed upon. And then we tested those results with a new survey just after the start of the second semester. We were gratified by the responses that indicate a strong movement in the right direction.

* 12. Describe any unintended positive outcomes as a result of the efforts supported by this grant.

Provide detail information on how funds were expended. Copies of receipts or additional information can be emailed to grant-info@thecommunityfoundation.net, faxed to 951-684-1911 or mailed to The Community Foundation, 3600 Sixth St. Suite 200, Riverside, CA 92501

14. Please provide a brief narrative on how the funds were used to fulfill grant objectives.

While the value of feeding hungry children is incalculable, the cost is very defined! We seek foods that are both nutritious and child-appealing, and financially feasible. The receipt for the purchase of individual-sized juice, cereal, chicken noodle soup, ravioli and spaghetti and meatballs will be provided. It totaled \$20,781.12. It was paid on January 27, 2016.

Dear Taxpayer:

This is in response to your request of Apr. 29, 2008, regarding your tax-exempt status.

Our records indicate that a determination letter was issued in September 1994, that recognized you as exempt from Federal income tax, and discloses that you are currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Deborah Bingham

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

If your sources of supports or your purposes; characters or method of operation changes please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

Donors may deduct contributions to you as provided in section 170 of the

SIOUXLAND TRI-STATE FOOD BANK INC

Code. Bequests, legacles, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2085, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 18th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application; a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If we have indicated in the heading of this letter that an addendum applies: the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.
