Dear Mr. and Mrs. Gimbel,

We have received a gift on your behalf from The Community Foundation of \$12,600.00, dated 12/26/2012, to the Glacier National Park Fund. As per your designation, your donation to help **Discover** Glacier National Park will be applied to our Winter Ecology School Program.

The creation of Glacier was only the first step; it will take the work of each generation to preserve this special gift to ourselves. Thank you for doing your part in keeping Glacier a park for all, forever! As the official philanthropic partner to Glacier, we have dedicated over \$3.2 million to education, research, trail maintenance and historic structures since 1999.

Thank you for your wonderful support!

Please join our mascot, Billy Bowman, in following our progress. Visit our website at www.glaciernationalparkfund.org or visit our office to learn more about the work we are doing to preserve and protect Glacier with your wonderful support.

Again, thank you!

Best Wishes,

Jane Ratzlaff
Executive Director
