Dear Celia,

Thank you! The donation of \$25,000.00 from the S.L. Gimbel Foundation is helping children develop life-long connections with Grand Canyon.

Because of your generosity, children are gearing up to go on class trips to the Grand Canyon and rangers are visiting schools across the Southwest. Today children are spending increasing amounts of time indoors playing video games and using computers. With your support, we are bringing busloads of children outdoors where the world is their classroom!

There is an expression that says, "Teach me and I may forget, show me and I will remember." You are helping to make a child's first Grand Canyon experience unforgettable. Thanks to you, the S.L. Gimbel Foundation, and The Community Foundation for sharing this gift of Grand Canyon with school children who will no doubt embrace their role as future stewards of our beloved national parks.

My travels may bring me to the Los Angeles area in the near future. If so, I would be delighted to meet with you in person. Of course, we are still hoping that you'll visit the park to witness firsthand all the wonderful things that are being done through the historic and ongoing generosity of the S.L. Gimbel Foundation.

Sincerely,

Susan Schroeder
