S.L. Gimbel Foundation Fund Holiday Grant Application

Please provide the following information for items I. through III. by answering all questions in ONE PAGE-12 Font. Please be thorough, clear, specific, and concise.

I. <u>Organization/Agency Background</u>: State your mission, vision, purpose, and provide a brief history. What are your core programs and activities? How many people do you serve? How many paid staff, full time and part-time? How many volunteers?

In 1983, founder John White opened the first Hawaii Foodbank warehouse on Sand Island Access Road. In its first year of operation, the Foodbank distributed 380,000 pounds of food to 75 member agencies. Today, Hawaii Foodbank and its network of nearly 200 charitable food partner agencies feed 1 in 8 people each year. In FY19, Hawaii Foodbank distributed over 11.1 million pounds of food, which includes 3.3 million pounds of fresh produce. Nearly 50% of the food distributed is through the Ohana Produce Plus program, which are the mobile community-based distributions. We also provide food for children through our two Food 4 Keiki programs, School Pantry and Feeding Our Future.

II. <u>Project Information</u>: Describe your food distribution program. <u>ANSWER ALL QUESTIONS</u>. Explain the community need including demographics, geographic characteristics of the area or community to be served, community conditions and income level. What are the specific activities of the food program? Hawaii Foodbank's two Food 4 Keiki (F4K) programs provide food for over 18,000 children on Oahu and Kauai. F4K School Pantry program provides snacks and supplemental food bags to students at 16 pantries located across Oahu and Kauai on school campuses and 2 keiki (children) pantries located near school grounds that are classified as Title I schools, which are schools that have the highest student concentration of poverty and are receiving supplemental federal funds to help meet the schools' educational goals. F4K Feeding Our Future program provides a hot summer lunch for students during the summer at different locations in Honolulu. How do you identify/qualify those in need? How often is the food distribution offered? Hawaii Foodbank's F4K programs are located on school grounds or near schools that fall under Title I classification. The schools that currently participate in our F4K School Pantry program have at least 50 percent of the student body enrolled in free or reduced lunch program.

The distribution of the supplemental food bags vary by location and school, but is usually once a week. However, snacks are frequently provided to children on a more frequent schedule and as requested by the young students.

How many people will be served by the food distribution program (children, youth, adults, seniors)? Please explain how you keep track of number of people served.

Hawaii Foodbank anticipates serving 19,000 children through the 2019/20 school year. The Foodbank collects the data from its partner agencies' monthly activity reports, along with supporting distribution logs. The information is then inputted into the Foodbank's database where reports are generated.

III. Project Budget

Please provide a detailed line-item budget for your project by completing the budget form below. The maximum requested amount is \$15,000 or 25% of your operating budget, whichever is less. You can request for less than \$15,000. You may delineate your line items requests per examples below:

- 85% of total request for the purchase of food items only. (Ex. Total request of \$15,000; 85% is \$12,750 for food)
- 15% of total request for female hygiene products and/or diapers. (Ex. Total request of \$15,000; 15% is \$2,250 for diapers and female hygiene products
- 100% of total request for the purchase of food items
- · Canned tuna will not be funded.

Food items must be delineated (i.e. canned vegetables, soup, pasta, dried beans, rice, etc.). For each food item, indicate the cost per unit (pound, carton, case, etc.) and the quantity. See attached example.

Line Item	Line Item Description	Requested Amount
Canned mixed fruit	24 cans/case; \$10.53; 200 cases	\$2,106
Macaroni & Cheese	12 cups/case; \$9.77; 500 cases	\$4,885
Canned green beans	12 cans/case; \$7.78; 150 cases	\$1,167
Canned corn	12 cans/case; \$7.27; 200 cases	\$1,454
Canned ravioli	12 cans/case; \$11.13; 156 cases	\$1,736
Canned chili	6 cans/case; \$8.63; 175 cases	\$1,510
Canned chicken	6 cans/case; \$10.71; 200 cases	\$2,142
TOTAL:		\$15,000

IV. Administrative Expenses Percentage

This section calculates how much the organization spent for general management, overhead, indirect items as a percentage of the organization's total expenses. The figures are based on your most current 990 form that you submitted, Part IX Statement of Functional Expenses.

Management & general expenses (Column C only)	/Total expenses (Column A)	= Administrative Percentage

Dear Taxpayer:

This is in response to your July 13, 2015, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in April 1986.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

FY20 Hawaii Foodbank Operating Budget Notes

Hawaii Foodbank has three unusual one-time large financial impacts hitting its FY20 budget, which resulted in a significantly deficit budget. First, with a goal of stabilizing the food inventory in the warehouse throughout the year, the Foodbank moved its annual food drive from April to August. As Hawaii Foodbank operates on a fiscal year, the impact of this decision to move this event four months means that food drive will skip an entire budgeting year. This decision has a budgetary impact of nearly \$500,000. In addition, there is a renovation project that will reconfigure the office space to relieve some of the staff crowding that has resulted in up to four team members co-working in an office and has placed multiple staff positions into the copy room. Further, for the first time in nearly 15 years, Hawaii Foodbank is upgrading its inventory management/financial accounting software. These three one-time situations have resulted in the FY20 annual operating budget at significant deficit. With these three situations all being completed in FY20, it is expected that FY21's operating budget will return to normal, as in previous years.
