The Community Foundation

Riverside, California 92501

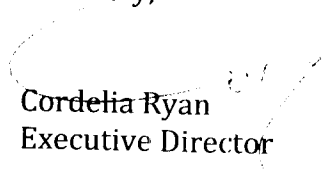

Dear Ms. Beaulieu,

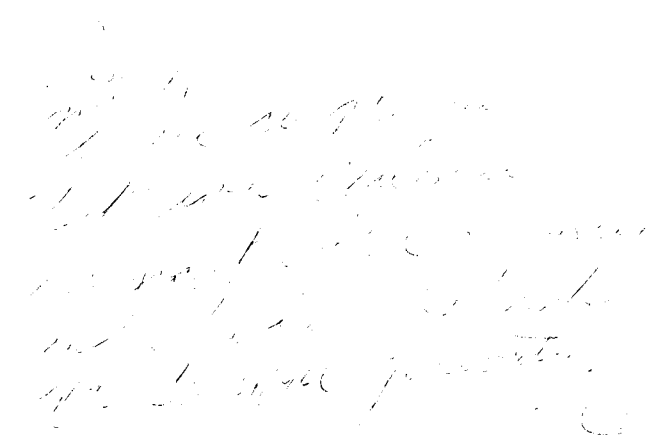

Thank you for the grant of \$12,500 from the S. L. Gimbel Foundation Fund, a component fund at The Community Foundation in support of CAWC's Hospital Crisis Intervention Project.

Since the day, 35 years ago, that Connections for Abused Women and their Children (CAWC) went from visionary idea to life-changing reality, the organization has never wavered from the original pledge: to keep women and their children safe. CAWC has been a pillar of support for victims of domestic violence. Our programs have sheltered them from their abusers, helped them heal and guided them to bright futures.

This work would not be possible without the generosity of donors such as S. L. Gimbel who share our mission. CAWC and the thousands of women whose lives will be transformed as a result of this gift are profoundly grateful.

Sincerely,

Cordelia Ryan
Executive Director

I am so grateful for the grant from the S. L. Gimbel Foundation Fund. It will be used for the Hospital Crisis Intervention Project. Thank you so much for your support and generosity.
