*Thank you for your gift!*

Dear Fund Manager,

On behalf of our neighbors, I thank you for your gift and for your support of Care and Share Food Bank for Southern Colorado. Your recent gift of \$7,000.00 was received on January 28, 2013. If there is a lesson to be learned about bridging the gap between hunger and abundance, it's that it is a big job and we cannot do it alone. Without your partnership, solving the issue of hunger would be so much more difficult.

Your generosity truly motivates me — in fact, it motivates all of us at Care and Share — to work that much harder. That includes working hard to make your gift go as far as possible. **We use your contributions wisely!** We are proud that 95 cents of every dollar contributed goes directly to providing food distribution programs and services across Southern Colorado.

We could not continue to feed, educate, and advocate for our neighbors in need without the generous assistance of individuals like you. Your funding will support programs and services to many of our neighbors living in difficult situations in our region. With your help, our neighbors will be more food secure and better able to cope with other daily problems facing them.

For the important milestones we will achieve with your generous support – thank you. You have forever changed the way food fits into the everyday lives of our neighbors.

Sincerely,

  
Lynne Telford  
President and CEO
