Dear Foundation Members:

On behalf of Glacier National Park, I wish to extend our sincere appreciation for your donation on January 22, 2013 to the Glacier National Park Conservancy for the Discover General Fund. This account provides the park the opportunity to complete projects that would otherwise be overlooked due to lack of funding.

With the help of donations from supporters such as you we will continue to see additional and sustainable improvements and programs throughout the park. Your generous gift will be put to good use.

Once again thank you for your support to Glacier National Park.

Sincerely,

Kym A. Hall  
Acting Superintendent
