Dear Celia:

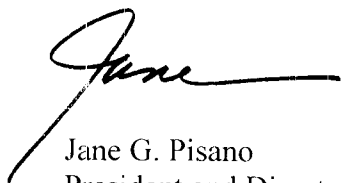

It gives me great pleasure to thank you and the S.L. Gimbel Foundation for your generous gift of \$25,000 in support of the School Visits Program at the Natural History Museum. Your thoughtful support of the Museum is deeply appreciated.

As you well aware, this year will bring our 100<sup>th</sup> Anniversary and a slate of exhibitions that promise to make the Natural History Museum a destination for 21st-century audiences, including the North Campus urban nature experience and *Becoming LA*, a groundbreaking exhibition about the natural and cultural history of Los Angeles and the Otis Booth Pavilion. This is a new era at NHM; by November 2013, we will be a museum of both nature and natural history.

On behalf of my colleagues in the Education Department and Museum-wide, you have my sincere thanks for your generous support.

Thank you for your friendship and partnership. We look forward to hopefully hosting the Board of the S.L. Gimbel Foundation at the Museum in the near future.

Warm regards,

  
Jane G. Pisano  
President and Director
