Dear Friends:

I want to thank you for the generous donation to the San Bernardino Valley College Foundation for the Lena T. Pond Fund.

Your gift of \$4,327.00 (ck #34306) will benefit the many students at San Bernardino Valley College who need just a little help to accomplish their educational goals. Your gift is tax deductible. For your records, our tax identification number is 23-7321533.

The SBVC Foundation awards thousands of dollars in scholarships each year and supports various academic programs on campus, thanks to the generosity of donors like you. Especially in these trying economic times, we appreciate your donation.

Again, thank you for supporting our students and college.

Sincerely,

Donna Hoffmann
