Dear Penny:

Thanks for joining Second Harvest Food Bank in our mission to reduce hunger and malnutrition in 18 counties across northwest North Carolina. Because of you...we are able to feed our neighbors in need.

Your gift of \$10,000, received January 23 from the S.L. Gimbel Foundation, will support our feeding programs and make a real difference in the lives of hungry children and families throughout our service area.

**For every dollar you donate, we can secure and distribute enough food for 7 nutritious meals.**

Persistent unemployment in our region continues to impact the number of families in need of food assistance, especially families with children. The increased need for food, coupled with ongoing shortages in our available food supply results in a sustained emergency. Your support at this time is critical to help us feed our community.

**Every can, every dollar, and every hour makes a difference to someone who is hungry.** Hunger is a solvable problem. Thanks for making a difference and being part of the solution.

Sincerely,

*Clyde* *We're deeply grateful for your very generous support.*
