Dear Ms: Beaulieu:

RE: \$10,000 Grant.

This message is to acknowledge the grant awarded to us by the S.L Gimbel Fund. This grant will help us support the "Feed the Children" project we are planning for early spring. Our program includes support from the Cornerstone Christian Community Church, the Community Action Partnership of Kern and a number of other faith-based agencies. The program will consist of games, family activities, health agency demonstrations designed to reach elementary and Junior High schools.

The Hope Center will distribute bags of food, backpacks, and support information. The date is yet to be confirmed but will held on a Saturday and will be geared to low income families with children, both English and Spanish speaking.

The planning for the is underway at this very moment and as soon as we have a firm date I will contact you with a full report. We would not be able to do this had it not been for the wonderful generosity of your organization and the S. L. Gimbel Fund. Thank you very much. If you have any questions, call me at 1- (661) 319-6405.
