

**2021 Idyllwild Community Fund
Grant Guidelines & Instructions**
Deadline: March 23, 2021, 5:00 p.m.

Mission of the Inland Empire Community Foundation (formerly known as The Community Foundation)

The Inland Empire Community Foundation's (IECF) mission is "Strengthening Inland Southern California through Philanthropy."

IECF does this by raising, stewarding and distributing charitable assets by providing grants to nonprofit organizations, and working toward a shared vision of a vibrant, generous and just region — with unlimited opportunities.

The Inland Empire Community Foundation maintains the rigorous national standards for excellence for community foundations and is a member of the National Council on Foundations and the League of California Community Foundations.

The Idyllwild Community Fund

The Idyllwild Community Fund is an affiliate fund of IECF. Established in 1996 and 1997 by anonymous donors, it is a permanent legacy to benefit the Idyllwild Community and its residents. The Fund has an advisory committee of local community residents dedicated to improving the quality of life for residents of Idyllwild. For more information visit <https://www.iegives.org/idyllwild-community-fund/>.

Mission of The Idyllwild Community Fund:

The Idyllwild Community Fund's mission is "Strengthening Idyllwild through Shared Resources." The goal of the Idyllwild Community Fund, whose capital assets consist of endowments and donations made by generous past and present members of the community, is to encourage and support programs run by local non-profit organizations that: nurture the arts; foster the education of children and adults; provide for the well-being of those in need; protect the environment; contribute to the safety of our Idyllwild community.

Eligibility

- Any nonprofit, 501 (c) (3) organizations may apply for grants for programs and activities that will benefit the Idyllwild community and surrounding mountain communities.
- IECF will only accept applications from 501 (c) (3) organizations.

Funding Preference:

The Idyllwild Advisory Committee will give preference to the following areas:

Arts and Culture
Human Services

Environment
Emergency Preparedness

Funding Considerations

The Idyllwild Advisory Committee takes the following into consideration when reviewing grant requests:

1. The grant should impact many individuals, rather than a few. Preference is given to agencies that provide programs to the underserved.
2. The requesting agency should show other sources of revenue for the program or project, or a plan to seek other funds (Be sure to complete the budget template, including other sources of funding).
3. The requesting agency must demonstrate that it operates with financial integrity.
4. Proposals for new, enhanced, or expansion programs are welcomed.
5. Requests for funding that include a reasonable percentage of administrative expense will be considered, but the proposed expenses should be a justifiable expense within context of the proposed project and within reason (i.e., no more than 10% of total requested funding.)

6. Requests for program-specific stipends will be considered. Stipend is defined (by the IRS) as a fixed sum of money paid periodically for services or to defray expenses. Stipends are typically considered a program expense related to the delivery of activities of a specific program, or activity of the organization, and not key to the operational function of the organization. Administrative expense is defined as "those expenses related to the overall operations and management of the organization."
7. Requests for large capital expenditures will not be considered.
8. The Idyllwild Community Fund will not consider funding requests for political or religious programs or to individuals.

Grant Period

The grant period is for one year, starting **June 1, 2021 to May 30, 2022.**

Application Review

Grants are awarded on a competitive basis. Applications will be screened for eligibility and completeness by Inland Empire Community Foundation (IECF) staff. IECF staff may call to schedule a site visit, or request additional information depending on the agency and the nature of the funding request.

The Idyllwild Advisory Committee will evaluate eligible applications, conduct site visits as appropriate, and will forward grant recommendations to Inland Empire Community Foundation Board of Directors for final approval.
