

SCHOLARSHIP FUNDS

What is a Scholarship Fund?

Are you grateful for the education you received? This type of fund offers you an opportunity to build the community's future by investing in the education of tomorrow's leaders.

The IE is lagging in college attainment with less than 22% of adults 25 and older in the region earning a bachelor's degree or higher. This outcome must improve for the region and its residents to prosper. You can help more students achieve their college education with a scholarship fund at IECF.

Who should consider a Scholarship Fund?

Individuals, families, nonprofits, businesses, and government can establish a scholarship fund.

How does a Scholarship Fund work at IECF?

1. Our staff members work closely with you to create your fund
2. Together, we design a scholarship program that meets your goals
3. Award payments are made directly to the educational institutions on behalf of the recipients

Angela C. Gomez Memorial Foundation Fund

Three years ago, the Gomez Family lost their daughter, Angela “Angie” Gomez, to gun violence. She was one of the victims of the Route 91 Harvest Shooting in Las Vegas. As a way to honor their daughter’s life and passions, her parents opened the Angela C. Gomez Memorial Foundation Fund at IECF in 2018. Through the Foundation, they’ve granted scholarships to graduating seniors at Riverside Poly High School, donated to the cheer and song program there, and given two nursing scholarships to students at Riverside City College.
