What is a Scholarship Fund?

Are you grateful for the education you received? This type of fund offers you an opportunity to build the community’s future by investing in the education of tomorrow’s leaders.

The IE is lagging in college attainment with less than 22% of adults 25 and older in the region earning a bachelor’s degree or higher. This outcome must improve for the region and its residents to prosper. You can help more students achieve their college education with a scholarship fund at IECF.

Who should consider a Scholarship Fund?

Individuals, families, nonprofits, businesses, and government can establish a scholarship fund.

How does a Scholarship Fund work at IECF?

1. Our staff members work closely with you to create your fund
