On an 8 ½ X 11 typed paper, not to exceed one page in length, provide an essay from one of the three topics listed below.

We offer a few tips: write an essay that reflects who you are; use specific, concrete details; and write in a natural style. We encourage you to relax as much as possible when you work on your essay. Remember, it is just one of the many factors we consider in reviewing your application. ***Please clearly note at the top of your essay or by circling the number below, which essay question you have chosen to write about.***

- 1) Write about something important to you and explain its significance in helping you shape your values and/or goals.
- 2) Submit an essay discussing the greatest challenge of your high school career. Examine your response to that challenge, the lessons you learned from it, and how you think it will affect your adulthood.
- 3) Write an essay discussing the differences in growing up today and yesterday. Your essay should include what you believe are the causes of those differences
