

GEOGRAPHIC AFFILIATE FUND

What is a Geographic Affiliate Fund (GAF)?

A GAF is established to enhance the quality of life in a specific geographic region and is used exclusively to benefit causes in that region. The Fund is just one of many funds held and stewarded by the Inland Empire Community Foundation (IECF), which serves Riverside and San Bernardino counties.

Donations received by a GAF are overseen by a fundraising and grants committee with IECF staff/board members who direct grants to nonprofits in the local area.

How can you support a Geographic Affiliate Fund?

1. Talk with your neighbors about creating a fund in your community!
2. Make a contribution to the fund. Your gift becomes available for grants to qualified nonprofits in your community.
3. Join the Fundraising and Grants Committee to help raise and distribute funds.
4. Help raise funds through your relationships or by holding a special event to raise dollars for the fund.
5. Promote the power of the fund through your social channels and share important issues affecting your community with IECF staff.
