Narrative

Please provide the following information by answering **ALL** questions (I to IV), **12 Font, One Inch Margins**. Use the format below (I to IV). Type your complete answers to the question directly below the question. Please do not delete the questions/instructions/examples and provide clear, specific, and concise answers.

I. Organization Background

A) What are the history, mission and/or purpose of your organization?

The first distribution of food was at our Green River location on February 17, 1987. The first official distribution of food as Food Bank of Sweetwater County was in January 1988 at our Rock Springs location. Food Bank of Sweetwater County started with a small amount of food, a few volunteers, part-time staff, and a few grants.

Food Bank of Sweetwater County Mission Statement

To provide the resources necessary to feed the hungry throughout Sweetwater County, to support our staff and volunteers, to raise awareness of our program in the community, and to ensure accountability to our supporters and clients.

B) How long has the organization been providing programs and services to the community?

Food Bank of Sweetwater County has been providing services to the community for 37 years.

C) What are some of your past organizational accomplishments (last three years)?

Our organization was able to make modifications to safely serve the community during the pandemic. We changed our procedures to drive thru distributions. We were able to transition back to distributing indoors by setting up screen guards and implementing social distancing.

II. Project Information:

A) Statement of Need

Specify the community need(s) you want to address and are seeking funds for. Include demographics, geographic characteristics of the area or community to be served, community conditions and income level. Include relevant statistics.

We address the community need for emergency food assistance. Our goal is to decrease food insecurity in Sweetwater County, Wyoming by providing supplemental food assistance.

According to Feeding America, the Sweetwater County food insecurity rate in 2019 (before COVID-19) was 11.3% or an estimated 4,940 people.

Feeding America has released data on how food insecurity may have increased in 2020 due to COVID-19.

The projected overall food insecurity rate for Sweetwater County goes up to 13.9% in 2020 and 14.0% in 2021.

Prior to the pandemic, the child food insecurity rate was 14.7% or 1,700 children. The projected child food insecurity rate for 2020 is 19.2% and 17.2% in 2021.

For comparison, in 2019, Wyoming's overall food insecurity rate was 11.7%. The child food insecurity rate was 14.4%.

Of the estimated 4,940 food insecure individuals in Sweetwater County, 44% are below 130% poverty and qualify for SNAP, free lunch meals, and WIC.

15% are between 130% and 185% poverty and qualify for WIC and reduced-price school meals.

The remaining 41% do not qualify for federal programs.

*Sweetwater County Community Needs Assessment 2022

B) Project Description

Describe your food distribution program.

1. What are the specific activities of the food program?

We distribute food to the low-income community of Sweetwater County. We are a client choice pantry. We believe it is important for our pantry patrons to have a choice when they go through our food line. This avoids waste and food sensitivities.

2. How do you identify/qualify those in need?

We have an application process. Our patrons will fill out a user-friendly application and they receive a Food Bank identification card to bring with them to each distribution. We are an income-based program. We utilize the USDA Income Guidelines at 130% of the poverty level. However, we do not turn anyone away that needs food assistance.

3. How often is the food distribution offered (before COVID and now)?

We have maintained our current distribution schedule of twice monthly in Green River and twice monthly in Rock Springs before and after COVID.

4. How many people will be served by the food distribution program (children, youth, adults, seniors) that is being considered for the Gimbel Foundation request and the total program?

We expect to serve 4,037 individuals including 719 seniors, 2,018 adults, and 1,300 children.

5. Please explain how you keep track of number of people served.

All our patrons check in to receive food. They will either fill out an application or sign in using their Food Bank identification card. The Office Manager will enter all

data from the applications and sign in sheets into an excel spreadsheet. We are then able to track people served at each distribution.

C) Project Goal, Objective, Activities and Expected Outcome

1. **Note: Objective, Outcome and Evaluation must all be based on the SAME QUANTIFIABLE CRITERIA** (for example, “number served, or acres improved”). This quantifiable criteria should refer to the grant amount you are requesting from the Gimbel Foundation only and not the total program.

State ONE GOAL, ONE OBJECTIVE, ONE OUTCOME. USE NUMBERS AND DO NOT USE PERCENTAGES.

2. **State ONE project goal.** The Goal should be an aspirational statement, a broad statement of purpose for the project.
3. **State One Objective.** The Objective should be specific, measurable, verifiable, action-oriented, realistic, and time-specific statement intended to guide your organization’s activities toward achieving the goal. Specify the activities you will undertake to meet the objective and number of participants for each activity.
4. **State One Outcome.** An outcome is the individual, organizational or community-level change that can reasonably occur during the grant period as a result of the proposed activities or services. What is the key anticipated outcome of the project and impact on participants? State in a quantifiable and verifiable term.
5. **Evaluation:** How will progress towards the objective (per above) be tracked and outcome measured?
Provide specific information on how many individuals will be evaluated (should be the same number as in the objective and outcome), how you will collect relevant data and statistics that meet your objective and validate your expected outcome, in a quantifiable manner, as you describe your evaluation process.

BELOW IS AN EXAMPLE OF GOAL, OBJECTIVE, OUTCOME AND EVALUATION:
Objective, Outcome and Evaluation should align and should be written in a linear format, using actual numbers, and data that are quantifiable and verifiable. Do not use percentages)

GOAL: Enhance and supplement the diet of food insecure families and children in Mariposa County with healthy, fresh food each month to improve their health and wellbeing.

OBJECTIVE: Distribute at least **500,000 meals of healthy, fresh food to 15,000 residents in need.**

ACTIVITIES:

- 1) Purchase fresh produce and other food items not provided by existing local farm and USDA sources to support 15,000 food distribution participants monthly.
- 2) Continue to promote monthly food distribution program through community partners across the county.
- 3) Input monthly food distribution data into USDA database system.

OUTCOME: We expect to **provide 500,000 meals to 15,000 food insecure county residents**, increasing their healthy food intake and habits.

EVALUATION: Using the USDA's tracking system we will generate reports on the number of food insecure children and families we have served. We will track our role in **providing 500,000 meals feeding 15,000 food insecure individuals** and account for additional success or lower numbers of individuals served.

WRITE YOUR RESPONSES HERE AND Use the following format for your goal, objective, respective activities and expected outcome:

GOAL: Supplement food to the food insecure residents of Sweetwater County by providing additional food assistance.

OBJECTIVE: Distribute at least 164,160 meals to 4,037 food insecure individuals in Sweetwater County.

ACTIVITIES: 1. Purchase food from Food Bank of Wyoming at a reduced cost increasing our purchasing power because of our partnership with Food Bank of Wyoming.
2. Promote our food distributions on social media.
3. Input our food distribution data on a weekly basis to track our monthly statistics.

OUTCOME: We expect to provide 164,160 meals to 4,037 food insecure individuals in Sweetwater County increasing food security.

EVALUATION: By inputting data weekly in excel, we will track our progress in providing 164,160 meals to feed 4,037 food insecure individuals.

Advance Ruling Period Ends:
June 30, 2001
Addendum Applies:
No

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in section 509(a)(2).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we

Letter 1045 (DO/CG)

FOOD BANK OF SWEETWATER COUNTY

will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for

Letter 1045 (DO/CG)

FOOD BANK OF SWEETWATER COUNTY

the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$20 per day for each day there is a failure to comply (up to a maximum of \$10,000 in the case of an annual return).

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If you distribute funds to individuals, you should keep case histories showing the recipients' names, addresses, purposes of awards, manner of selection, and relationship (if any) to members, officers, trustees or donors of funds to you, so that you can substantiate upon request by the Internal Revenue Service any and all distributions you made to individuals. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.
